

## Customer Referral Program

By participating in this program, you are subject to Pentanet's Terms & Conditions, Privacy Policy (available on our [website](#)), and the following Terms & Conditions.

### How to earn

To earn a referral credit, simply provide your unique referral code to a friend to submit within their Pentanet service application.

If your friend successfully connects to Pentanet on any internet service - you'll both receive a \$25 account credit!

### Terms & Conditions

1. The applicant must supply a valid referral code in their service application submitted on Pentanet's [website](#) or over the phone with a Pentanet representative.
2. Referral codes cannot be applied retrospectively.
3. The referrer must have an active Pentanet account with an active data service.
4. A \$25 account credit will be applied to the applicant and referrer accounts once the applicant's Pentanet data service is activated.
5. Referral credit cannot be transferred to another person, redeemed for cash or refunded to an account holder.
6. The referrer's Pentanet account must in good standing (no overdue bills!) at the time of referral credit application.
7. Existing Pentanet customers cannot use a referral code when applying for additional services.
8. If an account holder has unused referral credits and cancels their Pentanet account, referral credits are forfeited upon cancellation.
9. There is no limit to the number of customers referred.
10. Pentanet reserves the right to cancel a referrer's ability to participate in the Referral Program at any time for any reason and without notification.
11. Referral codes may be used in conjunction with other offers, unless expressly prohibited within the eligibility criteria for that individual promotion.
12. Referral codes may be used in conjunction with the Pentanet Partner Program.
13. Referrers must comply with all current spam laws. If you wish to distribute your referral code via email, this must be done in a personal manner. Bulk email distribution is strongly discouraged. Any distribution of your unique referral code that could constitute unsolicited commercial email or spam under any applicable law or regulation is expressly prohibited and will result in immediate ban from this Referral Code program.
14. Pentanet reserves the right to cancel our Customer Referral Program or to update or change these Terms & Conditions at any time in its sole discretion.
15. By referring a friend, acting on a referral, using the Referral Program, or otherwise participating in the Program, the referring customer and/or referred friend agree to be bound by these Terms.
